Course Details

AML Aviation Training Centre, a Full Member of the ICAO TRAINAIR PLUS network is proud to host the Training Instructors Course, Part 2 under the ICAO TRAINAIR PLUS programme.

The ICAO TRAINAIR PLUS Training Instructors Course (TIC) is a two part course; (Part 1 - on line and Part 2 - classroom), that enables participants to methodically conduct training courses in accordance with ICAO's instructor competencies and develop the required training strategies for course delivery. The TIC trains instructors to deliver STPs based on the TRAINAIR PLUS methodology as well as conventional courses.

AML Aviation Training Centre is very enthusiastic to host the Training Instructors Course where the focus will be on capacity building in training.

Learning Objectives

By the end of the course, participants will be able to:

- Prepare a training environment including facilities, equipment and instructional material;
- Manage the trainees by using effective training strategies;
- Conduct training with a variety of instructional methods as required for the training;
- Perform trainee assessments appropriately, objectively, and correctly;
- Perform course evaluations effectively; and
- Complete training reports for course improvement

Target Population

- Pre-service and in-service instructors with little or no formal training background;
- Aviation training instructors and aviation professionals who are dedicated to the implementation of competency-based training programmes;
- Subject matter experts and specialists who wish to upgrade their instructional competencies; and
- Current instructors who wish to refresh and upgrade their trainer competencies.
