

## Executive Summary of Bid Evaluation Report

### Design, Build and Commissioning of AML Airport Campus Network

#### OAB/WK/ICT/RD/18/005/CAMPUS NETWORK(2MAY)

#### 1. Scope of Contract:

AML Campus Network was built around year 2000 and centered about the Old Passenger Terminal Building. Later in 2015, another separate network was built to cater for CCTV and SACS operations. These two networks have been extended many times to respond to evolving needs of AML. With the convergence of voice and data and the implementation of network dependent applications such as Oracle Fusion Cloud, CMMS, mail service, it has become critical to redesign a new network that will integrate CCTV and SACS and business applications at the same time providing resilience in terms of redundancy, stability and scalability. The bidding exercise seeks an offer from capable local suppliers to design and build the new network.

2. **Procurement method used:** Open Advertised Bidding

3. **Date of Invitation of Bids:** 28 March 2018

4. **Closing date for submission of bids:** 09 May 2018

5. **Date and place of opening of bids:** 09 May 2018, Ground Floor, AML Corporate Office, Plaine Magnien.

6. **Number of bids received by closing date:** 2 options from 1 Bidder

7. **Responsiveness of bids:**

Bidder' s Name	Pricing at Bid Opening MUR	Responsive or not responsive (Yes/ No)	Reasons why bids not responsive
Mauritius Telecom OPTION 1 Classic 3-Tiered Hierarchical Network Architecture	11,132,101.00 (excl. VAT)	Yes	
Mauritius Telecom OPTION 2 GPON Technology	One-Off: 300,000.00 (excl. VAT) Monthly: 409,018.00 (excl. VAT)	Yes	

**8. Price comparison for bids that are substantially responsive:**

<b>Name</b>	<b>A. Price at Bid Opening Mur</b>	<b>B. Bid Price after corrections</b>	<b>C. price after currency conversion MUR</b>	<b>D. price after Adjustment MUR</b>	<b>E. Price after Margin of Preference [If applicable]</b>	<b>Rank</b>
Mauritius Telecom	One-Off: 300,000.00 (excl. VAT) Monthly: 409,018.00 (excl. VAT)	Nil	Nil	One-Off: 300,000.00 (excl. VAT) Monthly: 409,018.00 (excl. VAT)	Nil	Sole Bidder

**9. Best Evaluated Bid:**

Following a technical and financial analysis of the bidder's proposal, Option 2 – GPON Technology offered on a subscription basis from Mauritius Telecom has been found to be both technically and commercially acceptable. Financial analysis has shown that the investment in Option 2 GPON Technology is more beneficial and cost effective for AML.

BEC therefore recommended Option 2 – GPON Technology from Mauritius Telecom for a one-off cost of MUR 300,000.00 and a monthly cost of MUR 409,018.00 (excl. VAT) over an initial 5 year period; this represents a total cost of MUR 24,841,080 (excl. VAT).
